

## Patient Financial Hardship

Primary PartnerCare Physicians, PLLC understands that our patients may face difficult financial times and have developed a Financial Hardship Assistance Program for such circumstances, whether they are short-term catastrophes or longer-term circumstances.

**If you feel you may qualify for such a program, please speak with your doctor or call the Billing Customer Service Department at 516-233-2486 who can send you the application form.**

Our Patient Support Department can also advise of any community services and other such programs that might be available depending on your unique circumstances and needs.
